Go Kart Project

We are beginning our second round of Build days. A big thank you goes out to all of the mechanics, welders and tradespeople who have come to our shop to support our students. The donation of time, equipment and resources from our community has been amazing!!

Parking Lot Closures

On Tuesday, May 14th and June 4, 5, 6 our parking lot will be closed to accommodate testing, race preparations, and Race day on June 6th. We are asking all visitors to park at the community center during those times. Thanks!

Leaving Early/Call Out System

If a student leaves school early, they are required to sign out of the front office. We also request that parent/guardians call the school or give the OK for the student to leave in person (you can give ongoing permission). This greatly helps us manage our attendance system, avoids call-outs if they aren't needed, and ensures student safety.

Staff Updates

We would like to welcome Mrs. Ferguson to our Teaching team! Mrs. Ferguson is teaching Math 7/8 until the end of the year, and she will also be working with several classrooms (including Mrs. Maitland's social studies class and Mrs. Park's Humanities class) on various literacy-related initiatives.
